

## Authorization & Record for Prescription and Non-Prescription Medication

- No medication, cream, and/or supplement shall be given by child care personnel without the signed permission of the parent or legal guardian. All medication must be in the original container with the child's name, name of the physician, medication name, and medication directions on the label.
- Non-prescription medication brought in by the parent or legal guardian can only be dispensed if there is
  written authorization from the parent or legal guardian to do so. Authorization must be in line with printed
  manufacture's label unless accompanied by note from pediatrician.
- Medication which has expired or is no longer being administered shall be returned to the parent or legal guardian.
